

Making a Difference

My time as President of The Success Foundation in 2016 flew by as well as my 6 years as a founding board member. Speaking on behalf of the Board of Directors, we are proud of what has been accomplished in our young existence and know there is much more work to do. We're excited about the future of education in our community and look forward to working with you to grow the resources available to students in District 6.

In May 2016, Judy Kron retired after serving as volunteer Executive Director for six years. We are so grateful to Judy for her dedication and know The Success Foundation exists because of her vision. Julie Hill has been hired as a part-time Executive Director to help us lead the organization for the future. Julie brings strong fundraising and community partnership skills and a clear understanding of the Greeley-Evans communities.

In the face of inevitable change, The Success Foundation will continue to focus on our overall goal: **to help students succeed.** Consistent with other communities, school districts need additional and sustainable private and local funding to meet the learning needs of their students. The Success Foundation is solely dedicated to securing this support for our students.

Thanks to you, we achieved many successes in 2016 that are reflected in this report. In partnership with District 6, we continue to focus on raising funds to **support innovation for our students because it is working!** The Success Foundation and our donors are helping to boost student achievement and we can all be proud of that.

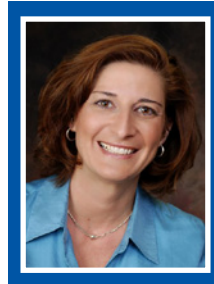

Education foundations like ours don't only fundraise, we also act as a public relations advocate for our school district. We must all work together to educate our community about the importance of a strong education system and celebrate our many successes as well as address our challenges. It gives me goose bumps to think about what additional resources and support can do for our kids, our community and our dreams. Your gifts to The Success Foundation are an investment in our students and in the future of our community.

We look forward to 2017 and thank you for your support!

With gratitude,

Felecia Burke

Our Kids | Our Community | Our Dreams

2016 Annual Report

Mission:

The Success Foundation exists to build partnerships, engage the community and bring resources together to support the education of our children.

Education Is Our Future

Research shows education is an essential ingredient for a successful community. The Success Foundation is committed to enhancing education opportunities for all students in Greeley-Evans School District 6.

We support:

- Innovative learning
- Educator excellence
- Exceptional learning environments
- Community mobilization and involvement

Funding Innovation

2016-17 Education Grants

Bella Romero	Sketchbooks for 4th and 5th graders
Centennial	Creating with Circuits Kits
Greeley Central	Materials to build 5-octave marimba Theater show control software
Chappelow K-8	Modular art display system
Dos Rios	3rd grade field trip focused on geology, geography, economics
Franklin	3-D Printer
Heath	8th Grade Study.com licenses providing access to electronic content in US History Google Goggles used by all grade levels
Heiman	MC Squares whiteboard system
McAuliffe K-8	Lego WeDo Classroom Packs for building wireless robots

- Funded 53 Teacher Education Grants totaling \$123,913 since 2011
- Funded 11 grants totaling \$15,665 for the 2016-17 school year
- Funds from our Thrive on 5 Employee Giving Campaign along with community support fund our grant program

Donor Directed Giving

In 2016, The Success Foundation received donations directed to two of the District's charter schools including Westridge Academy and University Schools.

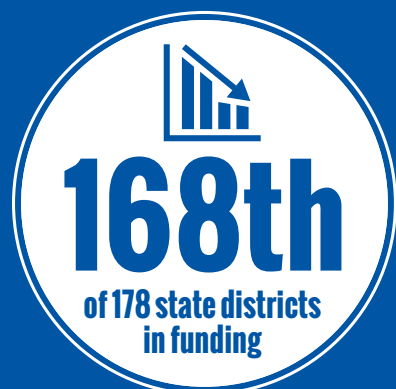

Westridge Academy

- Six Chromebooks per classroom in grades 2nd-8th
- Offset costs of two Chromebook carts

University Schools

- Three Chrome labs - two for elementary students and one for middle school students

District 6 Quick Facts

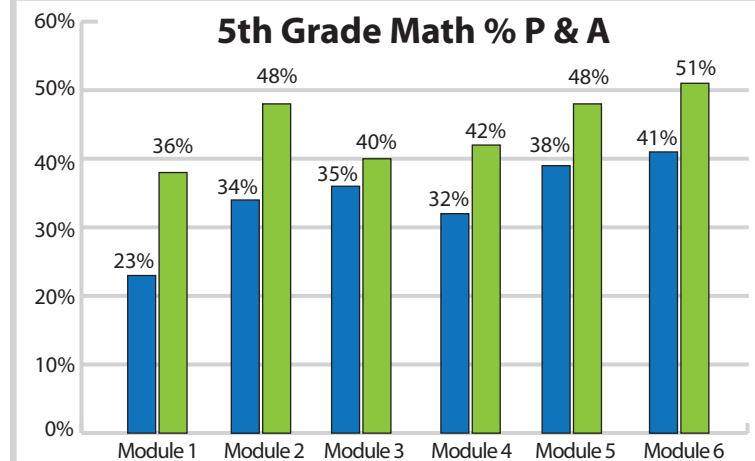

Improving Student Achievement

Blended learning occurs in the classroom environment, integrating the effective use of technology to personalize the learning experience for each student. It combines teacher-led instruction with high-quality digital educational content customized to a student's needs and abilities.

Six elementary schools in our district initiated blended learning in the classroom during the fall of 2016. Thanks to generous community support, The Success Foundation funded the devices and digital content needed at two of the six schools, as well as funding professional development for building administrators.

And the result is... **Blended learning is boosting student achievement in District 6!**

According to Spring, 2016 Data:

- 2nd-5th grade students in blended classrooms outperformed the district average on every Math and ELA common assessment
- 56% of blended students scored proficient or advanced in math, compared to the district average of 49%
- 45% of blended students scored proficient or advanced in English language arts, compared to the district average of 37%

Technology Purchased

- 252 Devices
- 246 Headphones
- 491 Student Licenses for Discovery Education digital content

Community Involvement & Support

In 2016, The Success Foundation hosted our 6th Annual Success For Our Kids Breakfast and 3rd Annual Ride4Success Cycling Event. Funds raised at both events helped to fund our elementary blended learning project!

2016 Annual Breakfast

Sponsored by
Flood and Peterson

400 Attendees
269 Sponsors/Donors
\$106,001 raised

2016 Ride4Success

Sponsored by
Cache Bank & Trust

355 Riders
