

August 2022 The Success Foundation Newsletter

District 6 hosted another amazing Community Kickoff Celebration on August 6th! The Success Foundation is so proud to partner with the District on this event to ensure our students have the tools they need to start the school year off on the right foot.

Event Highlights:

- 6,000 in attendance
- 3,000 backpacks given away
- 172 sports physicals
- 2,152 Sack lunches

We'd like to thank our Board and Junior Board for helping prepare backpacks and staffing our community booth. Students were able to sign up at our booth for a chance to win one of 12 great educational prizes and we look forward to delivering those prizes to schools next week! Last but certainly not least, a huge thank you to all the sponsors who made the event possible. The Success Foundation helped secure \$46,000 in sponsorship and over \$95,000 was contributed total. It truly was a community celebration!

Coming In September...SmartLab Project Update!

Four more SmartLabs were installed over the summer and we look forward to sharing more about these incredible learning environments in next month's newsletter.
