

June 2022 The Success Foundation Newsletter

The 2021-22 school year has come to a close. We thought it would be a great time to look back and highlight some of the work that our donors allowed us to do during the school year for District 6 Students!

The Delia & John W. Haefeli Opportunity Fund supported:

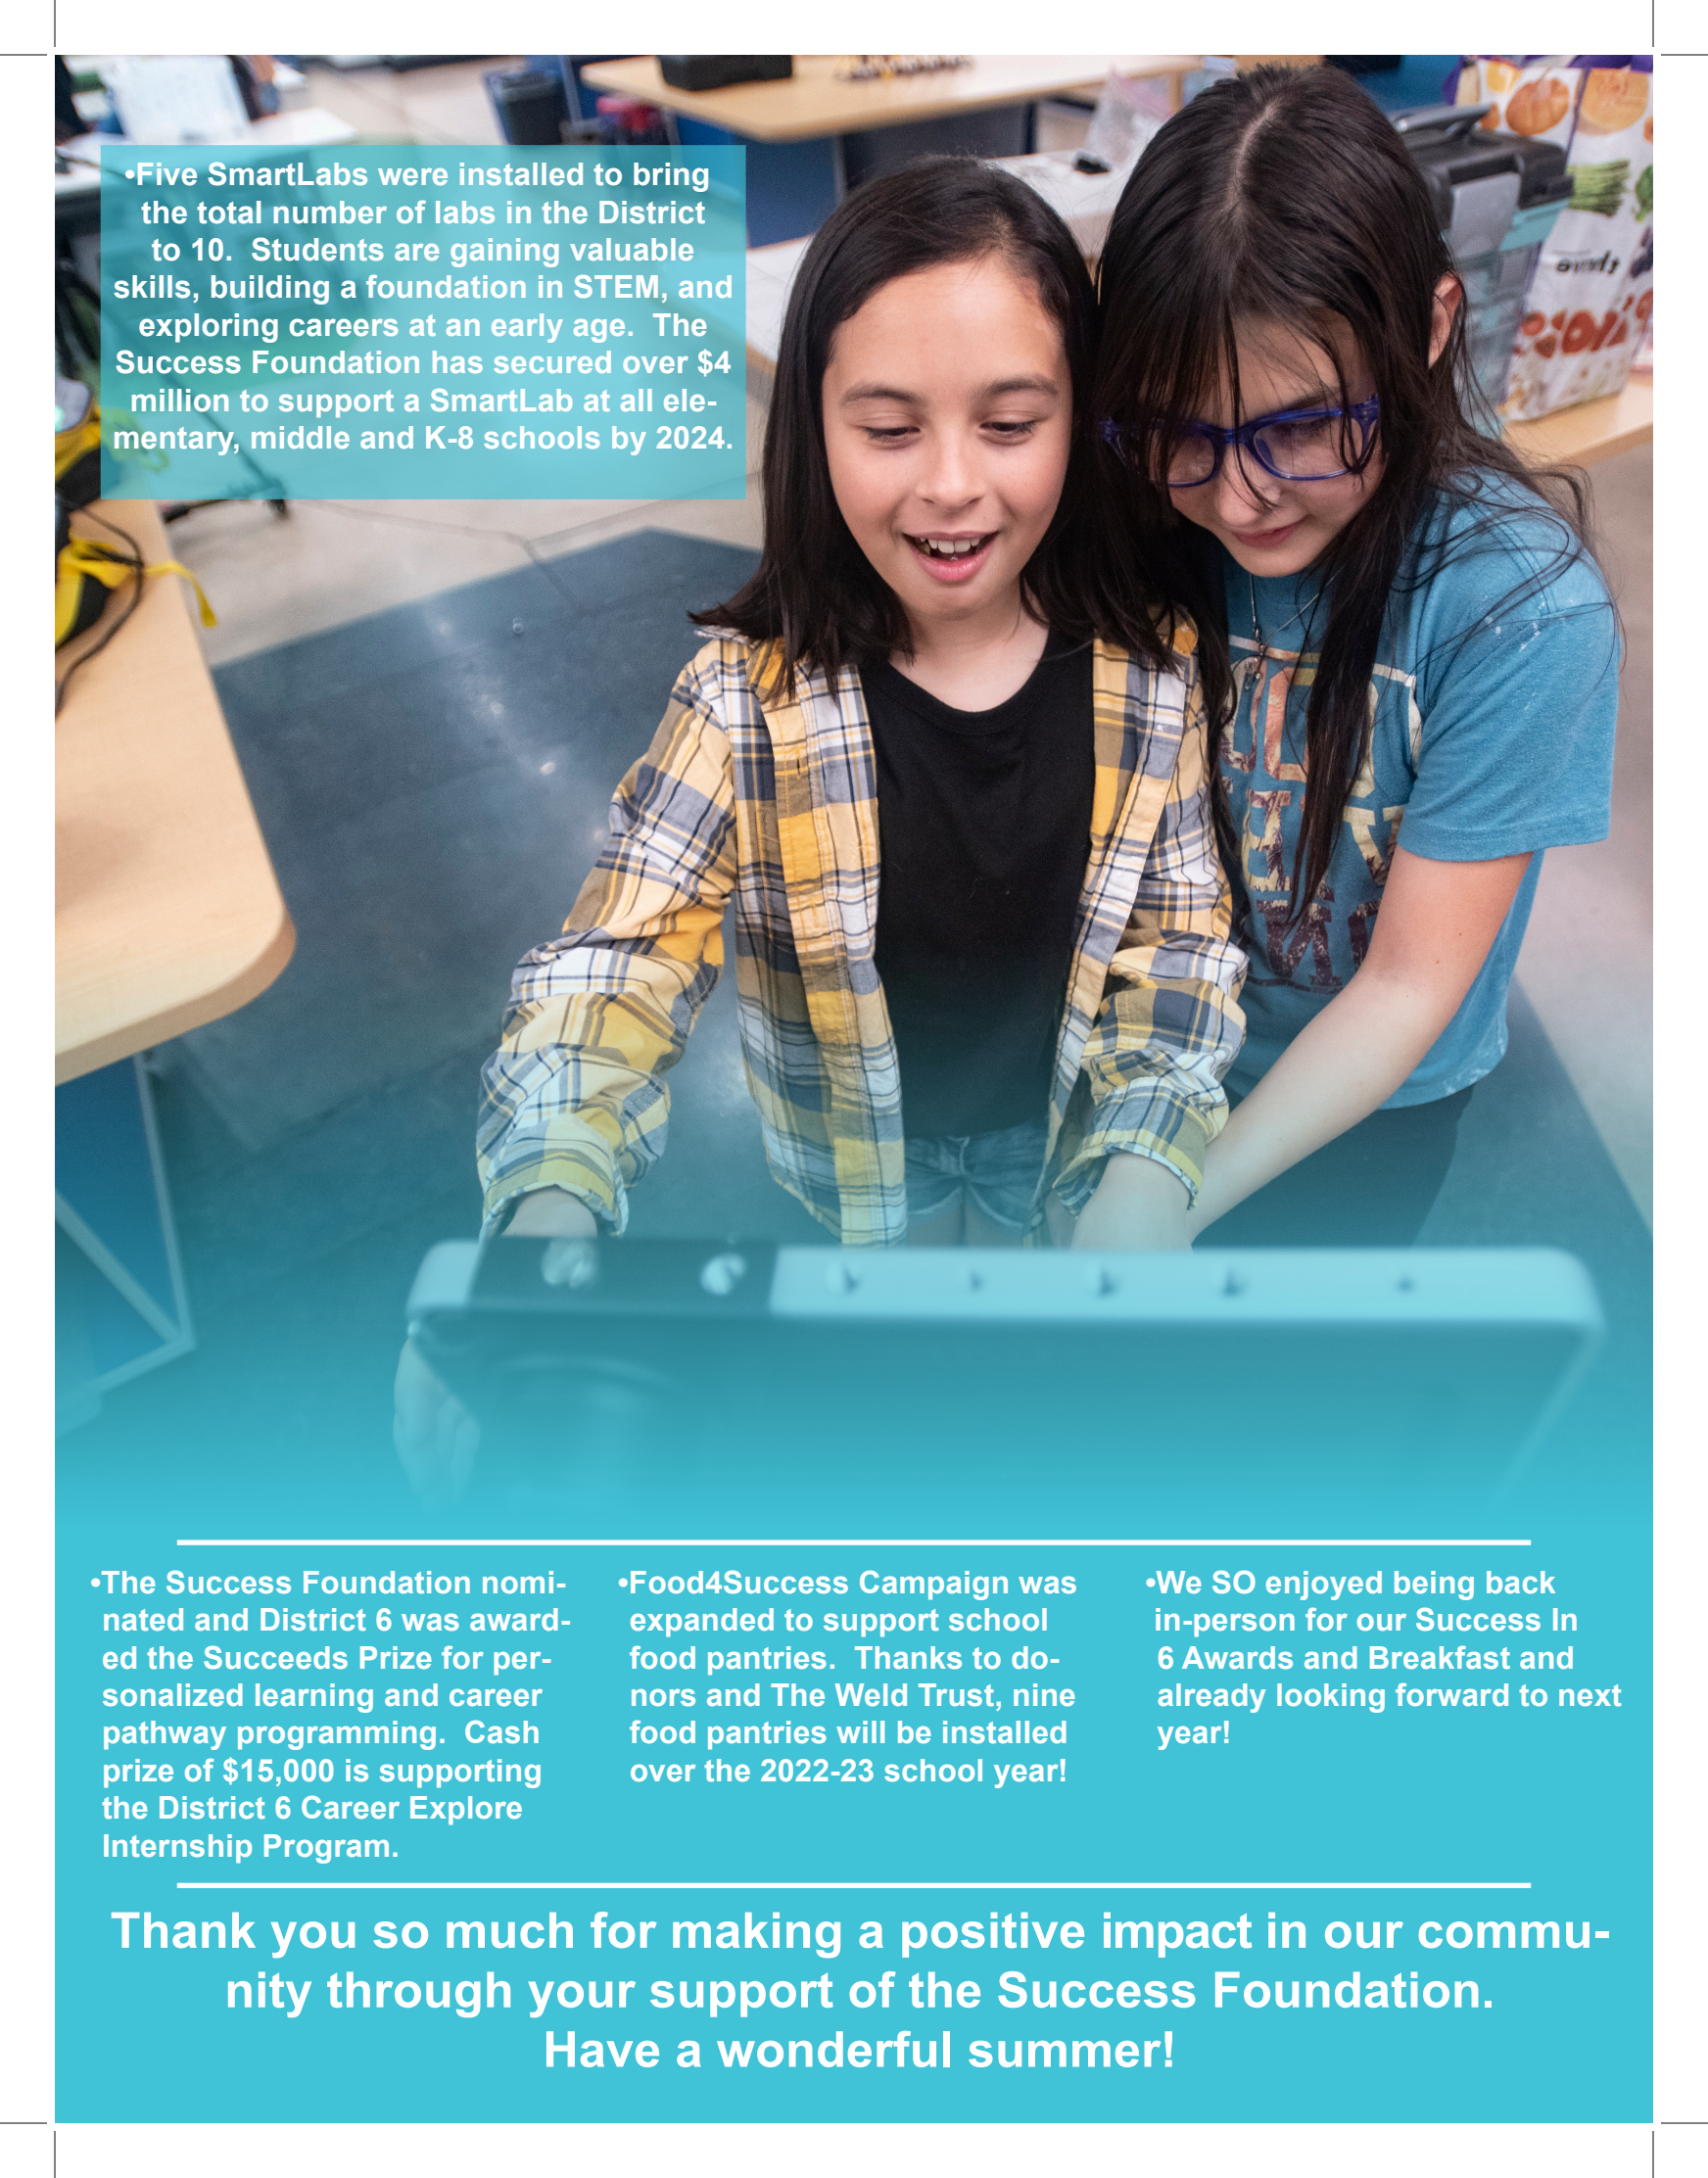

- Home internet access
- Travel to and performance in the Macy's Thanksgiving Day Parade
- Concert attire for music performances
- HOSA, Future Health Science Professionals Conference
- Driver's education training

Awarded five Innovative Learning Grant to support:

- Greenhouse Project
- Passion Projects
- Digital Art Center
- Vex Robotics
- Mariachi Ositos

Other grants and gifts were secured to fund:

- Pre-collegiate support services
- Counseling and behavior support
- READ Act Specialists
- Fresh Fruit & Vegetable Program
- Student Contact Verification

The girl on the right is wearing a blue t-shirt and blue-rimmed glasses. They are in a classroom setting with desks and various items in the background.

•Five SmartLabs were installed to bring the total number of labs in the District to 10. Students are gaining valuable skills, building a foundation in STEM, and exploring careers at an early age. The Success Foundation has secured over \$4 million to support a SmartLab at all elementary, middle and K-8 schools by 2024.

•The Success Foundation nominated and District 6 was awarded the Succeeds Prize for personalized learning and career pathway programming. Cash prize of \$15,000 is supporting the District 6 Career Explore Internship Program.

•Food4Success Campaign was expanded to support school food pantries. Thanks to donors and The Weld Trust, nine food pantries will be installed over the 2022-23 school year!

•We SO enjoyed being back in-person for our Success In 6 Awards and Breakfast and already looking forward to next year!

**Thank you so much for making a positive impact in our community through your support of the Success Foundation.
Have a wonderful summer!**
